1. [REDACTED], Education Specialist now assigned to PPS, plans to visit [REDACTED] on 24 September 1959 primarily to talk with [REDACTED] regarding your instructor training requests. At present, two similar courses are planned for your instructors there, on 2-6 November and 16-20 November. When [REDACTED] talked with [REDACTED] during the week of 14 September, there was some question as to the availability of your new instructors for both classes since their work load apparently has increased beyond that anticipated when the original plans were set.

2. I would appreciate also your giving [REDACTED] the opportunity to talk to you concerning his responsibility for monitoring OTI courses, including those at your base, as he did for the [REDACTED] Course. In this connection, we hope that [REDACTED] responsibilities can be expanded to include this type of activity in addition to his other, A&E-type functions. We and C/A&E believe this would be mutually advantageous to you and to [REDACTED]. In any event [REDACTED] will be prepared to discuss this idea with you and explain our tentative, longer-range plans for the Education Specialist activity.

3. In closing, thank you very much for your consideration of our request for the temporary services of [REDACTED]. I appreciate the reasons why this will not be possible and assure you that this will not seriously affect any of our plans here.
